

Google Video Meeting Sept. 20, 2026

Officers joined in the Video Meeting were:

President Anthony Jones, Vice President Calvin Anderson, Treasury John Wukasch Jr, Tournament Director Brandon McCarty, and Secretary Jerilyn Keller.

Darryl Conner was not present for the video meeting.

President Anthony Jones stated 3:08 pm beginning of the meeting times.

Anthony wanted to clarify to who was sent as emailed for our Google Meeting scheduled on 9/20/26. It was Brandon was sent as invited us for our Google Meeting however Anthony as President didn't request it to schedule. Brandon was mistaken made as emailed to us for Google Meeting without President Anthony requested. And Brandon should have noticed us within two weeks in advance before sending as invites for the Google Video Meeting. So therefore, we have accepted Brandon mistake or misunderstanding and move forward other things we need to focus on due to our process in orders following the reasons for Treasury John Wukasch Jr's situations, Officers names for the PnC Bank accounts, PnC Card Access, and Proposes.

Treasurer John Wukasch Jr. reported what happened when he used the SWDWBA PNC Bank debit card while he was in the hospital emergency room. He had left his personal card at home, had no backup card, and had the SWDWBA PNC debit card in his wallet, so he used it to pay the required \$40 insurance copay. He texted Joshua Dalton after using the card, but because it was late at night, Joshua did not receive the message until the next morning. Joshua's term as Tournament Director ended July 31, 2026, and Brandon McCarty became Tournament Director on August 1, 2026. During the previous Google Video Meeting on August 23, 2026, the officers accepted John's explanation for improperly using the PNC debit card. John immediately reimbursed the \$40 from his personal account to the SWDWBA PNC account.

Vice President Calvin Anderson clarified the reason for the discussion following John Wukasch Jr.'s situation. John acknowledged that his actions violated the bylaws, explained what happened, and accepted responsibility. He also agreed to address the matter at the next General Meeting.

Calvin shared his experience with the Oklahoma association's banking process, including officer authorization for checkbook signatures, as required by nonprofit and bank policies.

Calvin proposed adding officers to the SWDWBA PNC Bank account, with the President holding primary authorization and the Treasurer and Tournament Director serving as backups. The proposed authorized officers were:

1. President (Authorization)
2. Treasurer
3. Tournament Director

Tournament Director Brandon seconded the proposal, and the officers voted to approve it. The officers agreed to move forward with updating the PNC Bank account because former Tournament Director Joshua Dalton's term ended on July 31, 2026. A letter must be prepared and presented to the bank to document the agreement to add authorized officers.

Calvin proposed granting access to the PNC debit cards and reviewing the authorization agreement details. John Wukasch Jr. seconded Calvin's proposal.

John Wukasch Jr. proposed using Zelle through the SWDWBA account. The President would have primary authorization to use the PNC debit card first. The officers approved the proposal, following the agreed process with PNC Bank.

Tournament Director Brandon McCarty asked about plans for handling prize money for the SWDWBA tournaments. Calvin suggested paying cash for the Friday and Saturday events, including Classic, Seniors, and Team Event payouts after those events conclude. For Sunday Singles and Doubles, the payout time may need to be extended because the event could finish later, depending on the tournament schedule. Payments may be made in cash or through Zelle from the PNC account; anyone without Zelle will receive a mailed check.

Tournament Director Brandon will note on the entry form which participants use Zelle and identify which entries should be paid to individual accounts through the PNC account. The officers also removed the League Secretary signature verification forms by Ken Seabolt's Proposal Previous Meeting 8/23/26.

Calvin proposed that all officers use a link to review account access, and the officers agreed.

Secretary Jerilyn Keller reminded Calvin Anderson about his comments and behavior in the SWDWBA Marco Polo group with Anthony, Calvin, Brandon, Joshua, Darryl, John, and Jerilyn. The officers felt Calvin's comment was insulting, although he said it was meant as a joke. Calvin and Anthony apologized, and the officers agreed to move forward.

At the Waco Deaf Individual Bowling Tournament on September 12, 2026, Waco, Texas. John Wukasch Jr. raised the topic of per diem for officers who were present. However, the officers did not hold the planned meeting at McAlister's Deli before the tournament began at 11:00 a.m., so no per diem request was made. Treasurer John Wukasch Jr. also requested three SWDBA members to review his financial reports. The three auditors were Greg Burk, Ron Shipley, and Katie Roop.

The SWDBA officers present at McAlister's Deli were John Wukasch Jr., Anthony Jones, Calvin Anderson, Jerilyn Keller, and Brandon McCarty.

Calvin discussed whether a printer was needed for score sheets and checkbooks.

President Anthony Jones adjourned the meeting at 4:41 p.m.

Google Video Meeting Aug 23, 2026

Officers were:

President Anthony Jones

Vice President Calvin Anderson

Treasurer John Wukasch Jr

Tournament Director Brandon McCarty

Tournament Director Joshua Dalton-end his term July 31, 2026.

Hall of Fame Director Darryl Conner wasn't present at our meeting.

President Anthony Jones called the meeting to order at 3:04 p.m.

John Wukasch Jr asked the officers to review what happened during his emergency. He was admitted to the emergency room around 2:00 a.m. and realized he did not have his personal debit or credit cards with him because he had left them at home. Since he had the PNC debit card in his wallet, he used it to pay a \$40 insurance co-pay. He texted Joshua Dalton to explain the situation, and Joshua received the message the next morning. Joshua Dalton and John Wukasch Jr both had access to the PNC debit cards. After leaving the hospital, John reimbursed the SWDBA account by sending \$40 through Zelle. We also confirmed that the charge was removed from the PNC account records.

John Wukasch Jr accepted responsibility for the incorrect action. We acknowledged the mistake and confirmed that the \$40 was returned to the account.

For the financial reports. Treasurer John Wukasch Jr had reported \$11,907.27 as of Aug. 23, 2026.

John Wukasch Jr was planning to ask our SWDBA members who are going to Waco Deaf Individual Bowling Tournament on September 12 for his financial report auditing.

Calvin motioned our bylaws Articles 6 need to be updated to add corrections.

For tournament host hotels, payments should be split one-third each among the President and Tournament Directors. Calvin Anderson needs to update the highlighted bylaw sections accordingly.

Calvin requested that SWDBA purchase a new printer before the SWDBA Individual Tournament in San Antonio, Texas, on January 23, 2027. The officers agreed and will look for a good printer deal soon.

Tournament Director Brandon McCarty discussed paying him 1.25 per event during Tournament.

(I've missed conversations while writing my notes)

President Anthony Jones adjourned the meeting at 4:45 p.m.

Secretary Jerilyn Keller rewrite from the Notes.
